

## Required Information

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a Medicare-approved Part D sponsor. Enrollment in these plans depends on the plan's contract renewal with Medicare. UnitedHealthcare Insurance Company pays royalty fees to AARP for the use of its intellectual property. These fees are used for the general purposes of AARP. You do not need to be an AARP member to enroll in a Medicare Advantage or Prescription Drug Plan. AARP and its affiliates are not insurers. AARP encourages you to consider your needs when selecting products and does not make specific product recommendations for individuals.

Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.
